

79 years ago, a seed was planted to educate the youth of Rocky Mount in a little Catholic school named Our Lady of Perpetual Help. It is no accident that this endeavor began under Our Lady's patronage and she has been with us every step of the way as our loving Mother.

We are presently in need of 4th grade teacher in our pre-K-8th grade school. A bachelor's degree is required and 1-3 years of experience is preferred. The right candidate will have a zeal for teaching and a desire to form young people intellectually, socially and spiritually.

Teaching duties include:

- Teach 4th Grade according to the Diocese of Raleigh Curriculum Standards which richly include the Values and Attitudes unique to students in Catholic schools.
- Exhibit a strong sense of personal accountability for student formation including the spiritual, intellectual and social growth and development.
- Differentiate instruction to meet the needs of students
- Develop and implement engaging and rigorous lesson plans, assignments, and assessments
- Integrate technology and 21st Century skills
- Contribute to a positive and intentionally Catholic school culture driven by high expectations for student achievement and spiritual growth

If you love the Catholic faith and all Her traditions and teachings and have a servant's heart, please submit a cover letter, resume to principal@olphrm.com or mail to Our Lady of Perpetual Help Catholic School, Attn: Mrs. Julie Love, 315 Hammond Street, Rocky Mount, NC 27804.

Please pray that the right teacher finds his/her way to Our Lady of Perpetual Help Catholic School.
